

Nancy Wilt Quarter Horses

This STALLION BREEDING CONTRACT FOR SHIPPED, COOLED SEMEN for the breeding season of 20 , made and entered into this _____ day, of _____, 20 , is by and between Nancy Wilt Quarter Horses, hereinafter designated Breeder, and _____, hereinafter designated Mare Owner.

Mare Owner agrees to breed the mare _____, Reg. No. _____, to the stallion, **Jessies Fancy Chip** for the fee of \$ _____ for a live foal, subject to the following conditions.

1. The stallion fee includes a non-refundable booking fee of \$250.00, payable with this Contract, the balance of which must be paid before semen is shipped.
2. Breeder agrees to ship semen as described in the Attachment NW1. If a mare fails to settle, for any reason, Mare Owner will hold Breeder blameless. Mare Owner agrees to give Breeder ample opportunity to settle mare, and agrees to follow the conditions described in the Attachment NW1. The Mare Owner then has the option to substitute another mare during the current season or have a return for the following season. If a mare has not settled in foal after the first heat cycle, please have your veterinarian contact our veterinarian, Michael Kline, DVM, 937-492-2451 before her second heat cycle.
3. It is the Breeder's responsibility to provide the Mare Owner with semen in an industry standard container, with the industry number of viable spermatozoa per each shipment as described shipped in the Attachment NW1.
4. This Contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses. If foal is born dead, there are return privileges, as outlined in the Attachment NW1, for the following season only if Breeder is notified within 30 days and receives a veterinarian's statement confirming death. If after being pronounced "safe in foal", the mare should miscarry, abort or prove barren, Mare Owner has the privilege to return her for breeding, as outlined in the Attachment NW1, during the current breeding season, defined as 2/1/____ through 6/30/____, or the following year. Guarantee is null and void if Mare Owner does not give Breeder ample opportunity to settle mare.
5. A "Breeder's Certificate" will be issued for the foal, conceived by this mating, when ALL stallion fees and all other expenses (including veterinarian) have been paid in full, and when mare has produced a live foal by this mating.
6. It is further agreed that should the stallion die, be sold by the Breeder, or become unfit for service prior to settling the mare, that all of the breeding fee (excluding the booking fee, semen collection and preparation fee and shipping fee), will be refunded, if it has been paid in full, thereby canceling this entire Contract; or, if mare dies or becomes unfit to breed before being pronounced safe in foal, the Breeder has the option to either (a) accept another mare as a replacement, or (b) refund all the breeding fee (excluding the booking fee, semen collection and preparation fee and shipping fee), if it has already been paid in full, thereby canceling this entire agreement.
7. This Contract is non-assignable and non-transferable.

8. *This Contract is entered into the State of Ohio, and will be interpreted and enforced under the laws of that state. If any clause is against State Law, then that clause shall be null and void.*
9. *The following rider is attached hereto and made a part hereof: The Attachment NW1*

11. *This Contract represents the entire agreement between the parties. No other agreement, promises, verbal or implied, are included unless specifically stated in this written Contract. Original Contract will be kept on file at Nancy Wilt Quarter Horses, and a copy provided for the Mare Owner.*
